

Creativity abounds this weekend at the 5th Annual Boneyard Arts Festival produced by 40 North | 88 West — Champaign County's Arts, Culture & Entertainment Council.

How will YOU do the Boneyard?

Race your friends and see who can get to the most venues? Venture out of your own community and become a Sunday driver? Visit only your favorites, or seek out new spaces and experiences? Make it a date, an all girls outing or a family fun day? Explore as a day-tripper or a night owl?

Whether you walk, drive, bike or bus, see one artist or all 500, make multiple purchases or just one, you get to create your own personal Boneyard. Map your route and hit the pavement!

The Boneyard Arts Festival is a unique annual event showcasing the broad range of creative activity flourishing throughout our county. The festival promotes innovative and mutually beneficial partnerships between artists and businesses that demonstrate how the arts stimulate economic, social and educational growth.
